On September 27th, 2013 NBP partnered with Tri Valley Housing Opportunity Center and attended "Honor a Hero, Hire a Vet: Job and Resource Fair" at Las Positas College in Livermore. This EDD Job Fair for Veterans, National Guard, and Reservists returning from active duty featured workshops, networking opportunities, additional employment resources. Among the attendees were potential employers and nonprofit organizations that, like NBP and TVHOC, provide training and information for all job seekers, especially veterans.

A LinkedIn Workshop, job interviews, benefits training, and career information were some of the resources that were provided at the event. This job fair was hosted by Las Positas College in partnership with the Tri-Valley One Stop Career Center, Employment Development Department of California, Livermore Valley Chamber of Commerce, and various state, local, and private organizations.
