*On September 25th 2013, NBP participated in TVHOC's Open House to celebrate the eighth anniversary of the Tri-Valley Housing Opportunity Center in Livermore, CA. Attendees were provided with information about the exciting new programs offered at TVHOC, their available services, and their affordable housing efforts in the Tri-Valley Region. This Fall, TVHOC will be working with the local returning Veterans' community through many upcoming events and programs.*

*One such program is the regularly scheduled series of budgeting and finance classes provided by NBP and TVHOC. In addition to TVHOC's eighth anniversary, the Open House celebrated TVHOC's newly appointed Executive Director Annika Olson.*
